## SCOPE OF QUALIFIED TESTING AND EVALUATION LABORATORY

Eurofins Product Service GmbH is approved as an Independent Laboratory to test, evaluate and report on product meeting the requirements (except as might be noted) of UL Standards 60950-1, 61010-1, 60065, 60745-1, 60335-2-3, 62368-1 and AAMI ES60601-1. Conduct all functions except as might be noted (Engineering Evaluations, Product Testing, Report Writing) for products when using CSA Standard C22.2 No. 60950-1, 61010-1, 60065, 60745-1, E60335-2-3, 62368-1 and 60601-1. The above qualification is for current editions only. MET reserves the right to conduct special surveillance or review of a product at Eurofins Product Service GmbH or in Baltimore, on a case by case basis. These services are conducted under the auspices of MET Laboratories, Inc, an NRTL. Final approval and acceptance of Eurofins Product Service GmbH. test results, evaluations, and reports are controlled by MET Laboratories, Inc. Where Eurofins Product Service GmbH may have a lack of capability to perform specific tests due to lack of equipment or personnel, MET Laboratories will conduct those activities.

Additionally, Eurofins Product Service GmbH is qualified to conduct Factory Follow-up Inspections for products approved by MET Laboratories, Inc. within the above programs.

Approved since the 14<sup>th</sup> Day of March 2013
